

SPEAKER INTRODUCTION

Our speaker today is here to share her story involving a life-changing car crash.

Sandra LaRose will be speaking to us today about distracted driving, the devastating outcome that affected her, and the choices we can all make surrounding it.

Sandra's story is real, heartbreaking, and impactful. Her goal in sharing her story is to educate us on how decisions we make when we get into the driver's seat can change our lives forever.

Sandra is a road and rail safety speaker and is grateful for the partnerships she has which allow her to share Kailynn's Story across Canada.

We are extremely thankful for the opportunity to hear Sandra speak which was given to us by _____ (please insert sponsoring organization here)

If you feel triggered by any words or photos in today's presentation, please seek out a staff member or appropriate person for help and guidance.
